

NACHA brings together payments systems stakeholders to encourage the efficient utilization of the ACH Network and develop new ways to use the Network to benefit its diverse set of participants.

NACHA Resource Guide For Corporates

Innovate. Collaborate. Educate.

NACHA offers a variety of programs and resources to meet the diverse needs of corporates. From Council memberships and conferences to publications and networking opportunities, we give you the information and insights you need to address emerging opportunities in today's payments industry.

NACHA PUBLICATIONS

- The NACHA Operating Rules
- ACH 101
- IAT Corporate Originators
- Understanding Internet Initiated ACH Debit Entries
- Risk Management for Internet, Telephone and Electronic Check ACH Payments
- ACH Compliance Manual: How to Comply with ACH Related Rules and Regulations
- Remote Deposit Capture Agreement & Risk Assessment
- Implementation Guide for Back Office Conversion, Point-of-Purchase, Telephone-Initiated Payments and Accounts Receivable Entry Programs
- ACH Corporate User Guide
- Biller's Guide to Using ACH Applications & Walk-In Bill Payment Guidelines

PayItGreen® — Discover valuable resources to help your business — and your customers — turn off the paper and switch to electronics bills, payments and statements. For more information, visit www.payitgreen.org/.

Electronicpayments.org — Learn why ACH is important, how to educate employees and customers about the benefits of ACH-based electronic payments, and find free marketing and promotional tools to help in these efforts. To learn more, visit www.electronicpayment.org.

Electronic Payroll Coalition — Join a coalition of industry participants working to enable all-electronic payroll across the nation. For more information, contact Ian Macoy at imacoy@nacha.org.

Mobile ACH Payments Work Group — Collaborate with other industry thought leaders about how to support mobile credits and mobile person-to-person payments in the ACH Network and evaluate the role of the ACH Network in near-field communications and contactless payments. See <http://tic.nacha.org/>.

B2B Directory — Participate in the development of a B2B directory focused on facilitating B2B ACH payments, particularly among small businesses. See <http://cebp.nacha.org/>.

To participate in these and other NACHA programs, visit www.nacha.org or contact Anne Andrews at aandrews@nacha.org or 703-561-3950.

Order publications online at <http://pubs.nacha.org/> or by calling 800-487-9180.

NACHA Councils provide early identification of industry trends, opportunities for networking and information sharing, access to technology expertise, educational resources, and direct dialogue with NACHA. Join today to enrich your payments system knowledge and gain access to industry thought leaders.

The Affiliate Program provides an information-rich membership enabling organizations to stay connected with NACHA and the issues and developments that are shaping the ACH Network. Members gain inside access to the latest developments in the payments industry. Affiliate Program members have input on *NACHA Operating Rules* development, receive NACHA discounts, and garner increased visibility within the payments industry. To learn more or to join, visit <http://aff.nacha.org/>.

The Council for Electronic Billing and Payment (CEBP) promotes the adoption and usage of electronic consumer, business and government billing and payment programs and services across any delivery channel. The CEBP provides an open forum for education, resource development, solution innovation, research and the exchange of information about the electronic billing and the electronic payment industries. Hot Topics: EBIDS, B2B Payments Directory, XML formatted remittance information in the ACH. To learn more or to join, visit <http://cebp.nacha.org/>.

The Electronic Check Council (ECC) brings together ACH and check professionals to provide a better understanding of all forms of check electronification including image deposits, image exchange, substitute checks and ACH check conversion and truncation. The ECC provides a comprehensive understanding of all check electronification options resulting in enhanced solutions for the payments industry. Hot Topics: ACH / Check Convergence, Check Conversion Enhancements. To learn more or join, visit <http://ecc.nacha.org/>.

Global Payments Forum provides a venue for organizations to build and maintain relationships with international financial institutions and service providers. The twice yearly meetings provide international payments intelligence and enable participants to stay abreast of trends and opportunities in global financial transactions. Hot Topics: International Payments Framework Association, IAT and Cross Border Payments. To learn more or join, visit <http://gpf.nacha.org/>.

The Internet Council advances electronic commerce over open networks and facilitates digital business transactions in a straight-through and secure manner. Its diverse membership focus on WEB and TEL ACH applications, mobile ACH, authentication, data security, risk management, alternative payments, and emerging technologies in the payment industry. Hot Topics: Mobile Payments, P2P Payments, ACH Data Security, Recurring TEL Payments. To learn more or to join, visit <http://tic.nacha.org/>
